

YOUR WAFFLE CONE BAKER HAS BEEN APPROVED!

Waffle Cone Bakers will soon be available through the DQOC endorsed supplier, Innovative Products.

On Tuesday, November 28, 2006 the DQOC office received approval for the Innovative Products waffle cone baker from IDQ. With this approval, we are now in the final stages of completing the contracts with Innovative Products. You will be receiving a separate mailing outlining the particulars of the program and order instructions. Innovative Products has units ready to ship and has implemented increased production plans to meet our needs.

Here is a glimpse of what you can expect to see!

Equipment Features:

- Stainless Steel Construction
- Non-Stick Baking Plates (no sticking, no sprays)
- Preset Baking Time
- Preset Temperature
- Top of the Line Accessories
- NSF & UL Approved
- Lifetime Warranty

Several DQ franchisees have tested this equipment in their stores and have had very positive comments about its functionality and durability.

Of course the best part, as you would come to expect from your DQOC, the Innovative Products package includes Great Pricing.
